# WORKSHOP

## OBJECTIVE

A promotional banner for the Software Architecture Conference 2019. The background is a dark, high-angle photograph of a city skyline at night, with lights from buildings and streets. At the top, there are social media icons for Facebook, Twitter, and Instagram. Below them, the dates '2 - 3 AUG' and the location 'JAKARTA' are displayed with a calendar icon and a location pin icon respectively. The main title 'Software Architecture Conference 2019' is in large, bold, white sans-serif font. Below the title, the subtitle 'Engineering The Future Of Software In Indonesia' is in a smaller, white sans-serif font. Two buttons are positioned below the subtitle: a red one that says 'BE OUR SPONSORS' and a green one that says 'GET EARLY BIRD TICKETS'. At the bottom, a countdown timer shows '130 Days', '6 Hours', '5 Minutes', and '18 Seconds' in large blue numbers with their respective units in smaller white text below them.
